Dear Suzie and all at West Wickham Pantomime Society

Charity Support 2019

We just had to write and say thank you for your very kind donation of **£500** received this week – and to also recognise the memory of one of your past members, Beryl Talbot. We were thrilled when you contacted us in June to say you would be supporting our work but had no idea just how fantastic that was going to be!

Your generous gift can help support our training of more dogs by ensuring we have the necessary equipment for training, health and welfare purposes and identity jackets/lead flashes.

We rely so much on donations so we can continue with our lifetransofrming work in the community supporting children and adults affected by a range disabilities and autism through the help of a specially trained dog,

Thank you again and we wish you continued success with your performances.

Kindest regards

Lydia Martin
